Description:

Program - Area of training; CGP - Cumulative Grade Point

Note:

The HEI is expected to send a student's record two times: The first after admission (List of Admitted Students) and the second after graduation (List of Graduates). All the student's records must be the same in both cases except the CGP which is included in the last 1 column.

2 A HEI has to use a copy of the same page to send the same cohort of students both for admitted and graduated lists. In other words if student A is indicated fifth in the S.No. Column, it should also appear against the same raw (No. 5) in the list of the graduated.

3 The HEI has to send the list of admitted students not later than a month after admission and the list of graduates immediate after senate approval.

4 HERQA has the right to provide students' record to whomever is in need of.

- 5 The HEI has to make sure that every information provided here is correct and in fact is in line with the Ministry of Education or HERQA's policies and standards as specified for the respective admission time or academic year;
- 6 HERQA accepts the student record provided by the HEI as correct and genuine and thus the HEI is accountable for any record which is not in line with the set standard;
- 7 Authorities involved in the provision of professional licenses shall check students records if degrees obtained are based on HERQA's standards and policies;
- 8 An investigation of an incorrect record will ultimately result in the revocation or termination of the license and the HEI will be accountable for all the risks pertaining to it.
